

## VISION

To be the focal point and the main source of information on the Gas Processing industry in the Gulf Cooperation Council countries.

## MISSION

To serve as a forum for the exchange of ideas, technology and information that will benefit both the upstream and downstream Gas Processing industries and their Suppliers, with a view toward improving Plant Operations, Health, Safety and Environmental performance in the GCC Countries.

## MEMBERSHIP

Membership in this organization is open to GCC representatives of:

- Companies owning and/or processing gas. These shall be classified as "Members".
- GCC based organizations involved in the supply and/or services to the gas industry. These shall be classified as 'Associate members' and are entitled to vote on all matters in the Organization Annual Meeting except for the Executive Committee elections.

## DUES

The annual dues for Chapter membership is \$ 2,000
